INTRODUCTION TO THE SUMMER SESSION AT MARY WASHINGTON COLLEGE

The Summer Session is designed for the interests and educational needs of many students. The first five-week (May/June) term is designed for any student who attends a college that operates on an early semester plan. The second five-week (June/July) term can meet the needs of college students and adult learners.

Courses are offered in the daytime and in the evening. Daytime classes in the May/June and/or June/July terms normally meet for two hours a day, Monday through Thursday. Most evening classes in these two terms meet for approximately two and one-half hours on Monday, Tuesday, and Thursday. It is possible to earn six or seven credits in each of these two terms. Taken together, that is, considering both five-week terms, a student can earn 12-14 credits, which is roughly equivalent to a full semester of coursework.

School teachers may wish to take classes for recertification or to expand their learning during the June/July term, or by taking a late afternoon or evening course in the May/June term. Similarly, qualified rising high school seniors may take courses at these times in order to get a taste of college coursework. Interested high school students should contact the College's Office of Academic Services (703/899-4694) for application information.

Finally, there are workshops designed for specific purposes and for specific people. The Summer Session has something for everyone. Enroll now and be ready for classes when they begin.

THE HONOR SYSTEM AT MARY WASHINGTON COLLEGE

(Prepared by the Honor Council)

The Honor Code at Mary Washington College serves to provide mutual trust between the students, the faculty, and the administration. The Honor System functions as the primary unifying force to promote and maintain the atmosphere of freedom and trust that is essential to intellectual growth and maturity. The students at Mary Washington feel that an operative Honor Code contributes to this atmosphere by assuring that courses of study are pursued independently and freely to each student's satisfaction. The perpetuation of the Honor System relies upon the interaction of each student in his/her support of the System.

The Honor Code is founded upon certain assumptions and premises which every student must fully understand in order to actively support the System. Our system is based on a strong belief in the necessity of the fundamental honesty and integrity of each member of the college community. The student's integrity is the very spirit of our way of life at Mary Washington College.

Each student must realize that by accepting admission to Mary Washington he/she has acknowledged his/her obligation of commitment to the provisions of the Honor Code. Upon matriculation at the College, each student is counseled on both the ideas and the specifics behind the Honor System. Following counseling, each student must sign an Honor Pledge, thus endorsing a code which prohibits lying, cheating, and stealing. It is only with this acceptance of the Code that a student is considered to be an actual member of the community.

In keeping with the belief in the integrity of all students here, the Honor System also assumes that an accused person is innocent until proven guilty. It is necessary that an accusation against a student be made by another student, a teacher, or College official before any action can be taken by the Honor Council. The Honor Council, composed of elected representatives and an elected president, is responsible for interpreting the Honor Code and for seeing that no student is found guilty without a fair hearing.

The Honor System at Mary Washington recognizes that the student is a mature person who is responsible for his/her own actions. It does not function solely as a system of rules and regulations but complements the academic environment. The idea of having an Honor System originated with the student; likewise, the enforcement and continuation of the system is in the student's hands.

The benefits of the Honor System are many. The feeling of trust among students, teachers, and College officials contributes greatly to the amount of freedom extended to each individual. One's word of honor is accepted as such. Instructors often give take-home tests, and tests and exams are unproctored. Students are free to browse leisurely in the bookstore and in the stacks of the library. As in any atmosphere of freedom, there is also present the need for responsible action to protect that freedom. An active awareness of this responsibility contributes to the maintenance of the spirit of the Honor System, making it more than just a cherished tradition or ideal. It is, indeed, a life force within the community, an integral aspect of Mary Washington College.

Note: All students who are new to Mary Washington College should read carefully the information about the Honor Code at the College. GRADES WILL BE WITHHELD UNTIL THE HONOR PLEDGE IS SIGNED AND ON FILE AT THE COLLEGE.

STATEMENT OF COMMUNITY VALUES AND BEHAVIORAL EXPECTATIONS

- -The right of every individual to be treated with dignity and respect at all times;
- -The acceptance and appreciation of diversity in our community with regard to race, gender, culture, and creed;

ADMISSION AND REGISTRATION INSTRUCTIONS
FOR STUDENTS ATTENDING THE 1990 SUMMER SESSION
AT MARY WASHINGTON COLLEGE

Forms are enclosed (see inside of back cover) which, when completed and appropriate fees have been paid, will allow a student to be admitted to, and then register for, classes during the Summer Session. The forms included are the Summer Session Application (complete both sides), the Virginia In-State Tuition Form (complete both sides) if you wish to claim Virginia domicile for reduced tuition rates, the Registration and Fees Sheet, the Housing Application, (if needed), and the Medical Information Form. **Registration materials for the Summer Session will be accepted beginning April 2, 1990 and can be submitted either by mail or in person to: Director of the Summer Session, Office of Academic Services, Mary Washington College, Fredericksburg, Virginia 22401-5358 (703/899-4694).**

Registration by mail. A student registering by mail must **complete all of the enclosed forms that are appropriate and include payment** for all fees when the forms are sent. Materials for the May/June term must be received by May 11th; for the June/July term by June 15th. All information requested on the forms must be provided in the appropriate spaces. **Failure to complete all forms will delay the enrollment process.** Time permitting, a student will be mailed a listing of the course(s) for which s/he is enrolled. No letter of acceptance will be mailed. Instructions for completing the Registration and Fees Sheet are provided on the next page.

On-Campus Registration. If not completed earlier by mail (or in person), a student may register in person from 4:00-6:30 p.m. on Thursday, May 17, 1990. The registration process will be facilitated if the student arrives with all forms completed. Registration will be held on the second floor of George Washington Hall.

A student who plans to take courses in more than one summer term may register for courses in any term at the first appropriate registration date. This will eliminate the need to be present for any subsequent registration period. The registration process will be accelerated further if the student arrives with all forms completed. The student must be prepared to pay all fees at the time of registration. Instructions for completing the Registration and Fees Sheet are provided on the next page.

Registration for Courses Taught at Special Times. The dates for these courses are shown in the course descriptions section of this Bulletin. A student who plans to enroll for one or more of these courses should do so by mail or register on the first day of one of the regular 5-week terms.

Instructions for Completing the Registration and Fees Sheet. This form is divided into two sections. In Part I of the form, the student lists the courses he or she wishes to take; in Part II, costs are determined. A worked example is provided on the next page.

REGISTRATION AND FEES: A Worked Example

Let's assume that you are an undergraduate student who wishes to take one course in the May/June Term, two courses in the June/July Term, are a Virginia resident, and will live in double-occupancy college housing. The following steps should be followed on the **Registration and Fees Sheet.**

PART 1

1. Provide your name, social security number, etc. at the top of the form.
2. List on the line titled May/June Term the course desired. Place all course abbreviations and numbers on this line as they are shown in the Schedule of Courses (pages 21 to 24).
3. Repeat the process for the June/July Term by listing the courses you wish to take.
4. Add the number of credits for which you've registered and place the total in the box titled "Total Credits".
5. Enter $20.00 as the application fee in the first box under the column marked "subtotal".

PART 2

6. In item 2, tuition and fee costs are determined. Multiply the number of credits for the May/June Term (3) by $73 per credit for Virginia residents and place $219 in the appropriate box of the May/June Term column. (Note that Virginia and non-Virginia residence rates are shown both for undergraduate and graduate credits.)
7. Multiply the number of credits (6) for the June/July Term by $73 per credit and place $438 in the appropriate box of the June/July Term column.
8. Add the $219 and $438 and place the result ($657) in the Subtotal column.
9. In item 3, room and board fees are determined. Place $700 in the appropriate box of the May/June Term column and $700 in the appropriate box of the June/July Term column. Add these amounts and place $1,400 in the appropriate box of the Subtotal column.
10. Add the amounts shown in the Subtotal column which include $20 application fee, $657 for tuition and fees and $1,400 for room and board.
11. Place $2,057 in item 4 of the Grand Total box. Payment should be made to Mary Washington College and should accompany the completed forms either by mail or in person at registration. Payment may be made by check or credit card (VISA or MasterCard accepted).
